Multi-State Program Approval System  
(Under Development)

---

---

---

---

---

---

---

---

  
  
This system provides commercial, non-profit and government training providers an easy method of application for state POST approval of courses.  
  
Providing the information and documentation requested will enable review and evaluation by participating state regulatory authorities.

---

---

---

---

---

---

---

---

  
  
Multi-State Program Approval System  
  
Step 1  
Training Provider's Submission

---

---

---

---

---

---

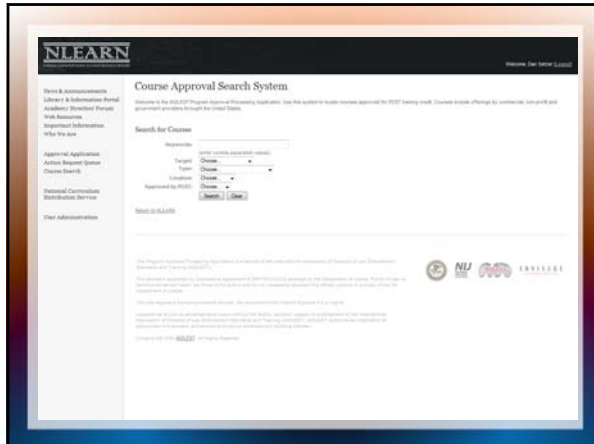

---

---

---

---

---

---

This system provides a centralized location on the Internet where State and Federal training programs and materials can be posted for review and download by police training facilities nationwide.

---

---

---

---

---

---

---

---

Agency	File Description
SOLEST	• Police Manual • File Descriptions • Other (Other, Justice) • File Descriptions • NC Lists • File Descriptions
Department of Transportation	• NHISA • List Description
Department of Justice	• File Descriptions
Department of Homeland Security	• File Descriptions

---

---

---

---

---

---

---

---

#### System Characteristics

- Small format versions allowing preview of materials
- Immediate download available when suitable
- Online order form for requesting materials by mail
- Archive of older versions of training manuals and materials

Lifesavers NLEARN Workshop

---

---

---

---

---

---

---

---

Workshop Discussion Topics

1. What are the possible benefits of enhanced intercommunication between US police academies?
2. What are the current means of intercommunication? Are they meeting the needs of police academies?
3. What are the needs of police academies that might be served by better intercommunication?

---

---

---

---

---

---

---

---

Workshop Discussion Topics

4. Discuss the interplay between federal agency training initiatives and state/local responses to them.

---

---

---

---

---

---

---

---

Workshop Discussion Topics

- 5. What are currently the most pressing issues facing police training and academy management today?
- 6. How can NLEARN assist in helping trainers and academies face those issues?

---

---

---

---

---

---

---

---

Workshop Discussion Topics

- 7. Would trainers and academy management benefit from improved communication between US and foreign academies?

---

---

---

---

---

---

---

---

Workshop Discussion Topics

- 8. What services would you like to see added to NLEARN?

---

---

---

---

---

---

---

---

---

---

---

---
